

Argotec[™] EU29

General Description

A colorless, breathable transparent medical-grade polyurethane/urethane/TPU film supplied on a high quality single-sided coated paper release carrier.

Key Features

- Breathable
- Highly conformable
- Bacterial barrier

Processing

This product is suitable for applications where the paper carrier is disposed of during the adhesive coating or conversion process. This product is also ideal for applications where the carrier remains in place as part of a dressing delivery system.

Applications

- Backings for hydrocoloids
- First aid dressings
- Other medical applications
